

March 19, 2020

Dear Parents and Guardians.

We would like to inform you that we have decided to extend our spring break until March 31, 2020. As we continue to follow the directives and guidelines from CDC, DOE, and DHS and other agencies due to the Coronavirus, we need to take precautions in this emergency situation for your safety.

Lumbini Preschool reopens on April 1, 2020 however your class teacher will ask some questions such as traveling outside of Hawaii during between March 14 to March 30, 2020 and health conditions for both students and parents, including household.

As we stated to families and staff of the Jikoen Lumbini Preschool, we strongly encouraged to limit nonessential travel, outing, and monitoring your health. We may require absence from our school consistent with any CDC-recommended self-isolation period of time post-travel based upon the most recent classification of the spread and level of risk associated with COVID-19 in any locations outside of Hawaii.

1. Please wash hands often with soap and water for at least 20 seconds especially after blowing your nose, coughing, or sneezing, before eating and after going to the bathroom.
2. Avoid touching your eyes, nose and mouth with unwashed hands.

3. Stay home when sick.
4. Cover your cough or sneeze with a tissue, then throw the tissue in the trash.
5. Try to clean and disinfect frequently touched objects using regular household cleaning spray or wipe.
6. Please follow our school illness policies (Check parents handbook).

Our top priority continues to be the safety and well-being of all our preschoolers, families, teachers, staff, and our Ohana. Thank you very much for your patience and understanding. I am sorry for any inconvenience. I will try my best to provide more safety and healthy daycare services for our Lumbini children. Mahalo.

*SHINDO NISHIYAMA*
